

FANTA GIPE

RULES

- Each player has 60 terrisi¹ available to purchase 4 of the competing members.
- It is possible to register the team by the **5th of October 2023 at 3.00 PM.**
- The bonuses and penalties for each member will be attributed according to the following regulation: should the evaluation of a bonus or penalty be subjective, the final word will be up to **IFGF²** which will evaluate the incident in a professional, unconditional and objective way
- The assignment of bonuses and penalties applies to members from 3.00 PM of the 5th October 2023 until 10 AM of the 9th October 2023 (everything that happens before and after will not be counted).
- The rules may be subject to change until the **5th October 2023** and, if necessary, may be subject to interpretations and/or clarifications by part of the FIFG during GIPE. The updated regulation will always be available on **Voltaire platform**.
- Bonuses and Maluses are valid once a day for each team member.
- Whoever has scored the **highest number** of points at the end of the last day of GIPE wins.

¹ terriso = Apulian fantaGIPE coin

² The judgment of the IFGF (Italian FantaGIPE Federation) is unquestionable

FAQ

● How do I create my team??

Creating your team is easy! Simply enter with the credentials that will arrive via email on the Voltaire platform (available at this [link](#)) and select “**my team**” in the menu at the top right.

● How do scores work?

Every day the IFGF will collect the bonuses and maluses of all competing members. Once added, they will be communicated the morning of the following day.

We also rely on the reports of all the participants.

These reports can be made on the **GIPE23 group** ([click here!](#)) or in an **Instagram story** by tagging @aisf_fisica and @gipe.23 with the hashtag **#FantaGIPE**.
